WHAT IS OMNIBILITY?

- Universal Design - Designed for equal access.
- Trend.
- Pushing new innovation.
- Invest in future - Biden invested in disability services.
- New Standard.
- Opportunity.

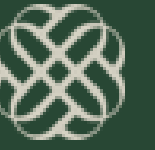

WHY OMNIBILITY?

- World Health Organization (WHO) - There are around 1 Billion people with disability around the world (2020).
- United Nation (UN) - Over the next three decades, the global number of older persons is projected to more than double.
- National Disability Authority (NDA) - 50 percent of newborns will have a chance of living past 80 years of age.
- National Disability Authority (NDA) - People want to live independently.
- Ministry of Social Development and Human Security of Thailand - There is 2.1 Million disabled person in Thailand.
- Equality for Well-Being - Religion, Gender, Condition of body and mind.
